Wingecarribee Environment Day

Yesterday the students in the Primary Class participated in the annual Wingecarribee Environment Day. All of the children had a great day and learnt lots about different aspects of our local environment. The highlight of the day was the amazing reptile show. Thank you to all of the parents who helped out with transport on the day.

Scarfes

Next Monday, the children will be making scarves to sell at the Garden Day. We will be using leaves and vegetables to make the scarves. If you have any of the following, please send them in to school in a small shopping bag. We would prefer leaves that have fallen freshly or are from the tree such as Eucalyptus, Geranium, Rose, Onion Skins, Bracken Fern, Purple Carrot, Silver Dollar and small rusty things like nuts and bolts.

It would be great if we could have some parent helpers to assist with our scarf making on Monday. We will be starting at 1:30pm.

The Partners in Learning Parent Feedback Survey

The Partners in Learning parent survey, on student engagement at our school has been extended until the 23rd October. Thank you to all of the parents who have filled in the survey so far.

Running this survey will help our school understand parents’ and carers’ perspectives on their child’s experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey will typically take 15 minutes or less to complete and is completely confidential. To log on to the survey go to [www.tellthemfromme.com](http://www.tellthemfromme.com) and use the randomly generated user name and password that was attached to last week’s newsletter.

Mobile Maths Games

If you would like to, why not channel your child’s interest in playing mobile apps into a chance to improve their maths skills and recall. The free School A to Z app has a Maths Monkey game to help test times tables and the follow-up app, Maths Monkey’s Quest ($1.99), challenges kids from Yr 2 to Yr 8 with addition, subtraction, ratios and percentages. Both apps are created by the NSW Department of Education and are available for Apple iPhones and iPads, and Android phones and tablets. You’ll find links to both here: [http://bit.ly/oSREYV](http://bit.ly/oSREYV)

- Book Club
- Aboriginal Cultural Day Note
Mittagong Blue Light Disco

Venue: Mittagong RSL

Date: Saturday 31st October

Times: 4pm to 6.30 pm

Cost: $5.00 per child 4 – 14 years

Parents and children under 4 free.

Robertson Burrawang Cricket Club desperately needs 2 more boys or girls for our U12s cricket team! Our next game is this Saturday morning 8.30am at Hampden Park, Robertson. Training is Thursday afternoon 5pm also at Hampden Park. It's great fun and we'd love to see a couple of new kids come and join us.

We are also no taking registrations for the Milo in2cricket program for boys and girls aged 5-8. This will run on a weekday afternoon at Robertson and is great fun throwing, catching, hitting and running in cricket based skill sessions.

For any more info on the above please contact Aaron on 0421 452 167 or email aaronazz@hotmail.com (or just turn up to the U12s game this weekend!)
