**Scarves**

On Monday, the children made scarves to sell at the upcoming Garden Day. We would like to thank everyone who collected leaves and rusty things for the children to use. We had a great selection to choose from. We would like to thank Harriet for her expertise in leading this activity with the children and dying the scarves, as well as Charlotte, Carmel and Leanne Marsh for their assistance.

**Kindergarten Orientation**

During the next two weeks we are looking forward to welcoming our new kindergarten students to school for their Kindergarten Orientation. It will be very exciting for all involved and we are sure that the children will have a fantastic time.

**Uniform Order**

The last uniform order for 2015 is attached.

---

**The Partners in Learning Parent Feedback Survey**

The **Partners in Learning** parent survey, on student engagement at our school has been extended until the 23rd October. Thank you to all of the parents who have filled in the survey so far.

Running this survey will help our school understand parents’ and carers’ perspectives on their child’s experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey will typically take 15 minutes or less to complete and is completely confidential.

To log on to the survey go to [www.tellthemfromme.com](http://www.tellthemfromme.com) and use the randomly generated user name and password that was attached to last week's newsletter.

**Jargon Explained**

If your child's teacher mentions G&T in the COLA, she's actually talking about gifted and talented classes being held in the covered outdoor learning area.
