**Swimming Scheme**

Swimming scheme has continued during the past week and the children should be commended for their wonderful efforts. They have participated enthusiastically in their lessons and are all continuing to show improvement. Our younger students are becoming more confident and have even been swimming in deeper water! Well done kids.

Students and teachers will vote after the speeches and the 2016 school leader will be announced at presentation night. Parents are most welcome to attend this event.

**Staff Professional Learning**

During the past few weeks our staff members have been involved in a wide variety of professional learning opportunities. Mrs Dunn attended a Library Conference with a focus on a new library software system (OLIVER) that is being rolled out to our school over the next two terms. Mrs Dunn and I attended a workshop day with Vic Zbar. We investigated high performing schools, the strategies that teachers can use to ensure they are using best practice in their classrooms, learning intentions and success criteria as a way to improve teaching and learning.

Next week Mrs Dunn, Mrs Whatman and I will be observing each other teach and providing feedback to one another. We are looking forward to what should be a very worthwhile day of professional learning.
