Welcome Back
We hope the New Year has started well for everyone and you enjoyed a chance for rest and relaxation in the holiday break. We are looking forward to an interesting and challenging year. We are especially proud of the way our new kindergarten students have settled into the routine of school. During Term 1 we will be studying ‘Animals’ and have planned for some exciting visits, excursions and incursions related to our theme. More information will follow closer to these events.

We are looking forward to working closely with the parents and community to provide outstanding educational opportunities for our students in 2016.

Food Allergies
We would like to send out an urgent reminder about allergies. Due to students with food allergies and the importance of keeping all students safe at school we ask parents not to send foods containing nuts (e.g. peanut butter, nut bars) or seafood (tinned tuna and salmon is okay) in their children’s lunch boxes. We thank you for your support in this very important matter.

School Swimming Carnival
On Friday 5th February our whole school, along with Avoca and Glenquarry Public Schools, are going to Bundanoon Pool for a small swimming carnival. The children will be catching a bus to and from the pool. They will be participating in 25 and 50 metre age races. The non-swimmers will be having novelty events in the small pool. All non-swimmers will wear a red wrist band and will not be allowed in the larger pool. Please make sure that sunscreen, hats and rash shirts are packed.

There is a canteen for the children to purchase food items if they wish. We will be back at school in time to connect up with the Bowral and Robertson buses. Parents are most welcome to attend.

Bong Bong Swimming
The 2016 Bong Bong swimming carnival will be held on Thursday 18th February at Bowral Pool. This carnival caters for students in years 2 – 6 wishing to compete for qualification to the district carnival and provides novelty and 25 metre events for less confident swimmers.

Thank you
We would like to thank Henry, Alistar, Scarlett, Claudia, Vaughan, Lincoln, Clayton, Darcey, Kirby, Liam and Eliza and their families for the fabulous job that they did during the holidays in taking care of the chickens and for keeping a watchful eye on our school.

School Disco, P and C AGM and Information Evening
Our P and C AGM is being held on Thursday 18th February. The P and C has organised for the students to be entertained and supervised at a disco run by Bop Till You Drop. Siblings are most welcome to attend and a sausage sizzle will be provided.
